## Vegetarian

This is a vegetarian recipe.

## Family Friendly

Most children love garlic bread! You can reduce the quantity of fresh garlic if you think they'd prefer that.

## Cook's tips:

- It's best to use a loaf that's a day or two old for this recipe, to make it easier to slice.
- Ring the changes by adding chopped fresh parsley or dried mixed herbs to the butter mixture.

# Method

1. 1.

Heat the oven to 190 °C.

2. 2.

Using a sharp serrated knife, carefully cut the bread diagonally into 3cm slices, taking care not to cut all the way through to the bottom of the loaf.

3. 3.

Turn the bread around and cut in the other direction to form a diamond pattern.

4. 4.

In a bowl, mix together the soft butter, garlic, chives, and the contents of the sachet of Royco Sour Cream & Chives Potato Bake. Gently squeeze the edges of the loaf to open up the gaps and spread the butter mixture all over the inside of the bread, using a knife or your fingers.

5. 5.

Carefully stuff some of the grated mozzarella into the gaps and sprinkle the rest on top.

6. 6.

Place on a baking sheet and bake at 190 °C for 10 to 15 minutes, or until the top is

golden and the cheese is bubbling. Serve hot.
